

# lyndaCampus User Registration Guide

Welcome to lynda.com, an online learning company that provides a vast library of engaging video tutorials to help anyone learn software, creative, and business skills.

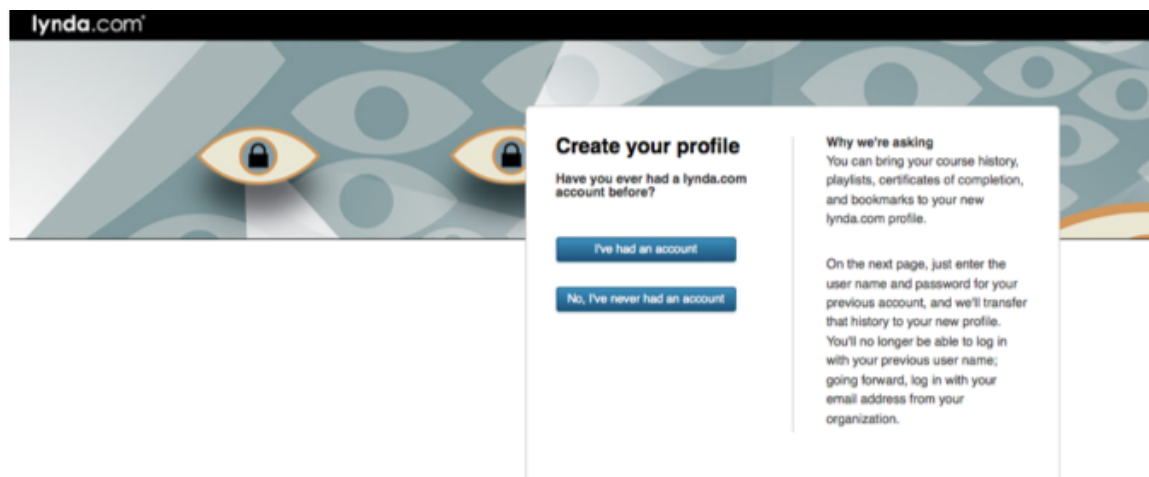

To create a profile...

1. Navigate to <http://www.lynda.com/email-signup>. Enter your school email address and click submit. You will receive an email notification, click on "Follow this link" to create your profile.

The screenshot shows the 'Welcome to lynda.com' registration form. The form is centered on a white background with a blue border. It features a title 'Welcome to lynda.com' and a sub-heading 'Create your profile'. Below this, there is a paragraph of text: 'Enter your email address from your organization. Then we'll send you an email with instructions for setting up your profile.' A text input field is labeled 'Email @ your organization' and has a 'Submit' button to its right. At the bottom of the form, there is a link: 'Already created a profile? Log in.'

2. If you are new to lynda.com create a new profile, if you are a returning member you can reconnect with your previous history.

The screenshot shows the 'Create your profile' form. The form is centered on a white background with a blue border. It features a title 'Create your profile' and a sub-heading 'Have you ever had a lynda.com account before?'. Below this, there are two buttons: 'I've had an account' and 'No, I've never had an account'. To the right of the buttons, there is a section titled 'Why we're asking' with a paragraph of text: 'You can bring your course history, playlists, certificates of completion, and bookmarks to your new lynda.com profile.' Below this, there is another paragraph of text: 'On the next page, just enter the user name and password for your previous account, and we'll transfer that history to your new profile. You'll no longer be able to log in with your previous user name; going forward, log in with your email address from your organization.'

3. Based on your selection you will be redirected to a new profile page or prompted to log in with your existing lynda.com credentials.

Once registration is complete you can log in thereafter by visiting [www.lynda.com](http://www.lynda.com) from any computer.
