How to cite from Short Stories for Students (SSfS) in MLA Style (8th ed.)

When citing text from SSfS that does not list an author (for example the Themes, Style, Historical Context sections, etc.) use the following model:

When citing content that was written specifically for SSfS (for example, the first essay under the Criticism heading), use the following model:

When citing an essay that originally appeared in a journal or newspaper and is reprinted in SSfS, use the following model:

When citing an essay that originally appeared in a book and is reprinted in SSfS, use the following model:

Note: The same format can be used for other criticism titles like, Poetry for Students, Novels for Student
